Dear Parents and Guardians,

The school meals program is funded by the United States Department of Agriculture (USDA). Since the start of the COVID-19 pandemic, school corporations across the country have been operating with the use of a federal waiver that allowed them to feed every child for free through the end of this school year. The use of this waiver will not be available after the 21-22 school year and corporations will return to the traditional eligibility requirements for free, reduced and paid meals. This means that for School Year 2022-2023, our school corporation will process free and reduced-price meal benefit applications.

The Food Services Department does have the ability to Directly Certify students who receive SNAP, TANF, some Medicaid, are certified as homeless, migrant, or are wards of the state (foster children). Households who are found to be directly certified will be notified in writing of the free or reduced-price meal status prior to the start of school and will not need to complete an application.

Meal benefit applications will not be available until July 1\*. Households are encouraged to apply before the start of the school year to avoid unpaid meal charges. **Students who are not approved for free or reduced-price meal benefits before the start of the school year will be classified as paid status and meal charges may begin to accumulate starting the first day of school.** Meal charges accrued before the approval of a meal benefit application will be the responsibility of the household.

Paid meal prices for 2022-23 are as follows:

Breakfast	\$1.45
Lunch	\$2.60

\*Applications received prior to July 1 will not be effective for the 2022-2023 school year.

Please contact either the elementary office at 936-4820 or the junior-senior high school office at 936-9984 if you have further questions.

Thank you,

Trevor Apple  
Superintendent
