

Springs Valley 2021-2022 Dyslexia Interventions

The following 2021-2022 Springs Valley dyslexia information is provided below in accordance with Indiana Code 20-32-8.5.

Dyslexia Intervention Program:

- Springs Valley Elementary used mCLASS interventions to support students with dyslexia for the 2021-2022 school year.

2020-2021 Number of Students Receiving Dyslexia Intervention:

- This is the number of students who received dyslexia intervention during the previous school year. This indicator represents the number of students who were identified as “at risk” or “at some risk” for dyslexia during the previous school year and who received the appropriate interventions. It does not represent the number of students who were officially diagnosed with dyslexia.
- Springs Valley Elementary had four students receive dyslexia interventions during the 2021-2022 school year.

2020-2021 Number of Students Identified with Dyslexia:

- This indicator represents the number of students who were officially diagnosed with dyslexia and may differ from the number of students who received dyslexia intervention under the guidelines within this document.
- Springs Valley Elementary identified four students with dyslexia during the 2021-2022 school year.
