

**Springs Valley Education Foundation
Hall of Fame Nomination**

The purpose of the Springs Valley Education foundation Hall of Fame is to recognize those who have made significant contributions of time, ideas, expertise or finances to the advancement of programs, such as academics, arts, or athletics at Springs Valley Community Schools. In addition, the Hall of Fame may include those graduates who have enhanced the prestige of Springs Valley Schools through their contributions in their chosen profession and/or to society as a whole.

Nominees can be drawn from graduates, former faculty members, former coaches, former administrators, school board members, community leaders, parents, organizations, businesses, or others who have made significant contributions to Springs Valley Community Schools. Nominees may be living or deceased. Former employees of Springs Valley Schools must have been retired for one year.

Your nomination can be completed on the Springs Valley High School web site or you can mail/turn in this form to the Springs Valley Superintendent's office. Anyone can submit a nomination.
